

## **2014 Site Selection for Westercon in 2016 Ballot Rules**

Members of Westercon 67 are eligible to vote on the site of Westercon 69, the 2016 West Coast Science Fantasy Conference. You can vote using this ballot either at the convention or by mail. You may authorize another person to deliver your ballot to the convention for you. To be eligible to vote, you must be a member of Westercon 67 and you must pay a voting fee of US\$20.00. You must pay this voting fee at the same time you vote. Make the check or money order for your voting fee payable to "Westercon 69." Credit cards will be accepted onsite only. You must vote using a paper ballot; there is no web or e-mail voting. Do not send cash through the mail. Westercon will not be responsible for any ballots lost in the mail. We will not count your ballot if it arrives without a voting fee.

The voting fee entitles you to at least a supporting membership in whichever site is selected to host the 2016 West Coast Science Fantasy Conference (Westercon 69). The winning bid may require you to pay a conversion fee to convert your supporting membership into an attending membership. Determination of such a conversion fee is the prerogative of the winning bid.

Voting is by preferential ballot. Place a "1" next to your first choice. Place a "2" next to your second choice, a "3" by your third choice, and so forth. If you want to vote for a write-in bid, write the name of the bid in the space provided and write the appropriate number next to the write-in as with any other choice on the ballot. The balloting period at Westercon 67 is scheduled to end at 7:00 PM MDT Friday July 4, 2014. The full schedule of the polls is at <http://www.westercon67.org/westercon-business/site-selection-and-bidding/> .

If no bid receives a majority of the first-place votes cast, the ballot cast for the candidate which received the least number of votes will be redistributed based on the next-highest preference listed on those ballots. This process continues until one candidate receives a majority. "None of the Above" counts as though it were a bid. Votes for "No Preference" do not count toward the total number of votes cast, and we will not count any of your choices ranked after "No Preference." (In other words, "No Preference" ballots are counted as if they were blank, so voting that way is a way of abstaining.) A single "X" or similar mark will be counted as a first place vote for that candidate with no other preferences. Any other marks will invalidate your ballot. The Site Selection Administrator must be able to clearly determine how you voted in order to count your ballot.

If you have more than one Westercon 67 membership in your name, you can vote only once for anything other than "No Preference." (That is, if you have multiple memberships, you can vote them all, but you must vote for "No Preference" on any ballot other than the first one.) Memberships held by corporations, associations, or "Guest of" memberships can vote only for "No Preference". The Site Selection Administrator is authorized to mark ballots to enforce these rules. Should "None of the Above" or an invalid bid win the election, the site for 2016 will be selected by the Westercon Business Meeting at Westercon 67 as provided for in the Westercon Bylaws. The results of the site selection will be announced at a session of the Westercon Business Meeting or by announcement in the convention newsletter or other means of general announcement. The time and place of this meeting (if one is required) will be announced in the program book, and will be available at Site Selection.

To vote by mail:

Fill out parts 1 and 2 of the ballot, enclose a check for US\$20.00 payable to "Westercon 69" and mail it to:

WESTERCON 67  
PO Box 360  
Orem, UT 84059

Your ballot must arrive by June 21, 2014 or else we may not count it (postmark date does not count). If you are not yet a member of Westercon 67, you must include a separate payment, payable to "Westercon 67", for the correct amount. Please do not include other convention correspondence in your ballot, because we may not open your ballot until after the convention starts. Your cancelled check will be your receipt.
